Is Debated in the Senate Without Action.

CASE OF THE ZEALANDIA MILE.

Politics Again.

Washington, May 23.-For five hours today the senate had the war revenue measure under discussion. The entire time was occupied by Mr. Chilton (Dem., Tex.) Mr. Lodge (Rep., Mass.) and Mr. Turley (Dem., Tenn.). White Mr. Lodge con fined himself to a discussion of the tax on corporations and bank deposits, etrongly urging that such taxes be not imposed. Mr. Chilton and Mr. Turley covered pretty full ythe general features of the bill. Their speeches dealt comprehensively with the theories of taxation and were, therefore, in the very nature of things, legal and technical dissertations upon the subject. No action of any kind was taken upon the bill.

PRELIMINARIES. At the opening of the session a commuiloation was received from Secretary of War Alger, together with a draft of bill providing for a gradual increase in the number of officers of the corps of en-The bill provides that the corps of engineers of the army shall conwith rank of brigadier general; seven colonels, fourteen lieutenants, twenty-eight majors, thirty-five captains, thirty first lleutenants, twelve second Beutenants and the battalion of engineers. All promotions shall be made by seniority. The communication and bill were re-

ferred to the military affairs committee WAR BILL RESUMED. After the transaction of some routine business Mr. Allison called up the war

revenue measure. He announced that when the senate adjourned Friday the pending question was upon the amendment offered by Mr. Mc Enery (La.), removing the proposed corporation tax from certain classes of corporations which were such in name only. had been completed and that an agreement had been reached, for the convenience of the senate, first to consider the amendment providing for the excise taxes on persons, firms, companies and corporations. That umendment, Mr. Alfison thought, ought to be disposed of before the remaining parts of the bill were

Mr. Chilton (Texas) delivered an extended and carefully written speech upon the general features of the revenue bill. say office at St. Louis, Mo.; James D. He expressed the opinion that the wast amount of money proposed to be raised by the pending bill would not be needed for Interior-James G. Reid, to be Indian the naval and military operations before congress should convene next December. expressed his willingness, however, to join with others in furnishing ample resources for the conduct of the war until July 1, 1899. He thought it would be a mistake to appropriate an amount greater than \$25,000,000 for war purposes,

Mr. Chilton said that the Dingley law and the pending bill had a very near relationship. He endeavored to show that the receipts from the Dinglew law were not sufficient to meet the government's ordinary demands.

In course of his remarks upon the inhea opinion that next to a tax on incomes and upon corporations, the succession tax col other feature of the pending bill. Chilton defended the proposition of the majority of the finance committee to issue certificates against the silver seign-

Mr. Chilton said the people ,the plain people, would rebel against bonds unless recessity for bonds did not exist, in Mr. Chilton's opinion, and he did not think it would exist at any time during the present war. He spoke for two hours and a half.

LODGE ON CORPORATIONS. He was followed by Mr. Lodge (Mass.) the proposed tax on corporations. He held that the fact that many states now levied against the proposed tax to be levied by the national government for the United States to tax the corporation would resuit in the destruction of a great source revenue to the states.

Mr. Lodge objected to the corporation tax because it was unfair and inequitable. All partners were exempted while all corporations were taxed.

ment in support of the corporation tax. He introduced a tabulated statement concerning the levying of the tax upon banks. railroads and other corporations. He vanced in splendbl order. It was a grand roads engaged in interstate commerce and be compelled to pay their share of the of the sick.

Mr. Turley concluded with an argument son expressed himself as delighted and in favor of the issue of legal tender notes morrow. It is said that the regiments as provided for in the bill reported by the majority of the finance committee. It was into brigation, then agreed that the hill would not be sed further today and it was laid
